

Turn to the light

E (Mi) E4 (Mi4)
God is light

E (Mi) B (Si)
There's no darkness in him

E (Mi) A (La) E (Mi) / G# (Sol#) – B (Si)
He holds the sun with his word

E (Mi) A (La)
In the sky

E (Mi) B (Si)
The millions of angels

E (Mi) A (La) B4(Si4) – B(Si)
Sing in the light of his face

F#m E(Mi)/G#(Sol#) A (La)
If he could create the stars

F#m E(Mi)/G#(Sol#) A (La) B (Si)
He can set fire to those who desire

Chorus:

E (Mi)
Turn to the light
F#m (Fa#m)

Let it shine in your heart

B (Si)
He will be the guide

E (Mi)
To the end of your night
C#m (Do#m)

Turn to the light

E(Mi)/G#(Sol#)
And your eyes will see
A (La) E (Mi) B (Si)
His love will shine

In this light
There's nothing to cover
With him you don't need to hide
You can come
Just the way you are
He's known us right from the start
What if we opened the window?
What if we started to trust him at last?

Chorus

And we will be...

A (La) E(Mi)/G#(Sol#)
Children of light

A (La) E(Mi)/G#(Sol#)
Enfants de lumière

A (La) E (Mi) - C#m (Do#m)
hijos de luz

D (Ré) B (Si)
Kinder des Lichtes

filhos da luz
fii ai luminii
Kinderen van licht
figli di luce

Turn to the light...(2x)

E (Mi)
In your life...
